FirstName LastName

ADVANCE DIRECTIVE FOR A NATURAL DEATH (“LIVING WILL”)

NOTE: YOU SHOULD USE THIS DOCUMENT TO GIVE YOUR HEALTH CARE PROVIDERS INSTRUCTIONS TO WITHHOLD OR WITHDRAW LIFE-PROLONGING MEASURES IN CERTAIN SITUATIONS. THERE IS NO LEGAL REQUIREMENT THAT ANYONE EXECUTE A LIVING WILL.

***GENERAL INSTRUCTIONS:** You can use this Advance Directive (“Living Will”) form to give instructions for the future if you want your health care providers to withhold or withdraw life-prolonging measures in certain situations. You should talk to your doctor about what these terms mean. The Living Will states what choices you would have made for yourself if you were able to communicate. Talk to your family members, friends, and others you trust about your choices. Also, it is a good idea to talk with professionals such as your doctors, clergypersons, and lawyers before you complete and sign this Living Will.*

You do not have to use this form to give those instructions, but if you create your own Advance Directive you need to be very careful to ensure that it is consistent with North Carolina law.

This Living Will form is intended to be valid in any jurisdiction in which it is presented, but places outside North Carolina may impose requirements that this form does not meet.

*If you want to use this form, you must complete it, sign it, and have your signature witnessed by two qualified witnesses and proved by a notary public. Follow the instructions about which choices you can initial very carefully. **Do not sign this form until two witnesses and a notary public are present to watch you sign it.** You then should consider giving a copy to your primary physician and/or a trusted relative, and should consider filing it with the Advanced Health Care Directive Registry maintained by the North Carolina Secretary of State: https://sosnc.gov/divisions/other/advance_healthcare_directives/card_lookup*

My Desire for a Natural Death

I, FirstName LastName, being of sound mind, desire that, as specified below, my life not be prolonged by life-prolonging measures:

1. When My Directives Apply

My directions about prolonging my life shall apply **IF** my attending physician determines that I lack capacity to make or communicate health care decisions and:

NOTE: YOU MAY INITIAL ANY AND ALL OF THESE CHOICES.

I have an incurable or irreversible condition that will result in my death within a relatively short period of time.

I become unconscious and my health care providers determine that, to a high degree of medical certainty, I will never regain my consciousness.

I suffer from advanced dementia or any other condition which results in the substantial loss of my cognitive ability and my health care providers determine that, to a high degree of medical certainty, this loss is not reversible.

2. These are My Directives about Prolonging My Life:

In those situations I have initialed in Section 1, I direct that my health care providers:

NOTE: INITIAL ONLY IN ONE PLACE.

____ may withhold or withdraw life-prolonging measures.

shall withhold or withdraw life-prolonging measures.

3. Exceptions – “Artificial Nutrition or Hydration”

NOTE: INITIAL ONLY IF YOU WANT TO MAKE EXCEPTIONS TO YOUR INSTRUCTIONS IN PARAGRAPH 2.

EVEN THOUGH I do not want my life prolonged in those situations I have initialed in Section 1:

____ I DO want to receive BOTH artificial hydration AND artificial nutrition (for example, through tubes) in those situations.

NOTE: DO NOT INITIAL THIS BLOCK IF ONE OF THE BLOCKS BELOW IS INITIALED.

I DO want to receive ONLY artificial hydration (for example, through tubes) in those situations.

NOTE: DO NOT INITIAL THE BLOCK ABOVE OR BELOW IF THIS BLOCK IS INITIALED.

I DO want to receive ONLY artificial nutrition (for example, through tubes) in those situations.

NOTE: DO NOT INITIAL EITHER OF THE TWO BLOCKS ABOVE IF THIS BLOCK IS INITIALED.

4. I Wish to be Made as Comfortable as Possible.

I direct that my health care providers take reasonable steps to keep me as clean, comfortable, and free of pain as possible so that my dignity is maintained, even though this care may hasten my death.

5. I Understand my Advance Directive.

I am aware and understand that this document directs certain life-prolonging measures to be withheld or discontinued in accordance with my advance instructions.

6. If I Have an Available Health Care Agent.

If I have appointed a health care agent by executing a health care power of attorney or similar instrument, and that health care agent is acting and available and gives instructions that differ from this advance directive, then I direct that:

Follow Advance Directive: This Advance Directive will override instructions my health care agent gives about prolonging my life.

Follow Health Care Agent: My health care agent has authority to override this Advance Directive.

NOTE: DO NOT INITIAL BOTH BLOCKS. IF YOU DO NOT INITIAL EITHER BOX, THEN YOUR HEALTH CARE PROVIDERS WILL FOLLOW THIS ADVANCE DIRECTIVE AND IGNORE THE INSTRUCTIONS OF YOUR HEALTH CARE AGENT ABOUT PROLONGING YOUR LIFE.

7. My Health Care Providers May Rely on this Directive

My health care providers shall not be liable to me or to my family, my estate, my heirs, or my personal representative for following the instructions I give in this instrument. Following my directions shall not be considered suicide, or the cause of my death, or malpractice or unprofessional conduct. If I have revoked this instrument but my health care providers do not know that I have done so, and they follow the instructions in this instrument in good faith, they shall be entitled to the same protections to which they would have been entitled if the instrument had not been revoked.

8. I Want this Directive to be Effective Anywhere

I intend that this Advance Directive be followed by any health care provider in any place.

9. I have the Right to Revoke this Advance Directive

I understand that at any time I may revoke this Advance Directive in a writing I sign or by communicating in any clear and consistent manner my intent to revoke it to my attending physician. I understand that if I revoke this instrument, I should try to destroy all copies of it.

HEALTH CARE POWER OF ATTORNEY

NOTE: YOU SHOULD USE THIS DOCUMENT TO NAME A PERSON AS YOUR HEALTH CARE AGENT IF YOU ARE COMFORTABLE GIVING THAT PERSON BROAD AND SWEEPING POWERS TO MAKE HEALTH CARE DECISIONS FOR YOU. THERE IS NO LEGAL REQUIREMENT THAT ANYONE EXECUTE A HEALTH CARE POWER OF ATTORNEY.

***EXPLANATION:** You have the right to name someone to make health care decisions for you when you cannot make or communicate those decisions. This form may be used to create a health care power of attorney and meets the requirements of North Carolina law. However, you are not required to use this form, and North Carolina law allows the use of other forms that meet certain requirements. If you prepare your own health care power of attorney, you should be very careful to make sure it is consistent with North Carolina law.*

This document gives the person you designate as your health care agent broad powers to make health care decisions for you when you cannot make the decision yourself or cannot communicate your decision to other people. You should discuss your wishes concerning life-prolonging measures, mental health treatment, and other health care decisions with your health care agent. Except to the extent that you express specific limitations or restrictions in this form, your health care agent may make any health care decision you could make yourself.

This form does not impose a duty on your health care agent to exercise granted powers, but when a power is exercised, your health care agent will be obligated to use due care to act in your best interests and in accordance with this document.

This Health Care Power of Attorney form is intended to be valid in any jurisdiction in which it is presented, but places outside North Carolina may impose requirements that this form does not meet.

*If you want to use this form, you must complete it, sign it, and have your signature witnessed by two qualified witnesses and proved by a notary public. Follow the instructions about which choices you can initial very carefully. **Do not sign this form until two witnesses and a notary public are present to watch you sign it. You then should give a copy to your health care agent and to any alternates you name.** You should consider filing it with the Advance Health Care Directive Registry maintained by the North Carolina Secretary of State:*

I desire that such information be provided whenever it would expedite the prompt and proper handling of my affairs or the affairs of any person or entity for which I have some responsibility. In addition, I authorize my health care agent to take any and all legal steps necessary to ensure compliance with my instructions providing access to my protected health information. agreement, release, authorization, or other document that may be necessary, desirable, convenient, or proper in order to exercise and carry out any of these powers; (ii) granting releases of liability to medical providers or others; and (iii) incurring reasonable costs on my behalf related to exercising these powers, provided that this health care power of attorney shall not give my health care agent general authority over my property or financial affairs.

5. Special Provisions and Limitations.

(Notice: The authority granted in this document is intended to be as broad as possible so that your health care agent will have authority to make any decisions you could make to obtain or terminate any type of health care treatment or service. If you wish to limit the scope of your health care agent’s powers, you may do so in this section. If none of the following are initialed, there will be no special limitations on your agent’s authority.)

A. Limitations about Artificial Nutrition or Hydration: In exercising the authority to make health care decisions on my behalf, my health care agent:

shall NOT have the authority to withhold artificial nutrition (such as through tubes) OR may exercise that authority only in accordance with the following special provisions:

In exercising the authority to make health care decisions on my behalf, the authority of my health care agent is subject to the following special provisions. (Here you may include any specific provisions you deem appropriate such as: your own definition of when life-prolonging measures should be withheld or discontinued, or instructions to refuse any specific types of treatment that are inconsistent with your religious beliefs or are unacceptable to you for any other reason.):

NOTE: DO NOT initial unless you insert a limitation.

C. Limitations Concerning Mental Health Decisions. In exercising the authority to make mental health decisions on my behalf, the authority of my health care agent is subject to the following special provisions. Because your health care agent's decisions must be consistent with any statements you have expressed in an advance instruction, you should indicate here whether you have executed an advance instruction for mental health treatment):

8. Reliance of Third Parties on Health Care Agent.

A. No person who relies in good faith upon the authority of or any representations by my health care agent shall be liable to me, my estate, my heirs, successors, assigns, or personal representatives, for actions or omissions in reliance on that authority or those representations.

B. The powers conferred on my health care agent by this document may be exercised by my health care agent alone, and my health care agent's signature or action taken under the authority granted in this document may be accepted by persons as fully authorized by me and with the same force and effect as if I were personally present, competent, and acting on my own behalf. All acts performed in good faith by my health care agent pursuant to this power of attorney are done with my consent and shall have the same validity and effect as if I were present and exercised the powers myself and shall inure to the benefit of and bind me, my estate, my heirs, successors, assigns, and personal representatives. The authority of my health care agent pursuant to this power of attorney shall be superior to and binding upon my family, relatives, friends, and others.

D. No Civil or Criminal Liability. No act or omission of my health care agent, or of any other person, entity, institution, or facility acting in good faith in reliance on the authority of my health care agent pursuant to this Health Care Power of Attorney shall be considered suicide, nor the cause of my death for any civil or criminal purposes, nor shall it be considered unprofessional conduct or as lack of professional competence. Any person, entity, institution, or facility against whom criminal or civil liability is asserted because of conduct authorized by this Health Care Power of Attorney may interpose this document as a defense.
